New Members Give Talks

Three of the five speakers at Toastmasters this week were recently installed members giving their first talks before the group. Raymond Moore commented on "The Difference Between Man and Monkey," Henry Pahland discussed "Introduction to Total Conscription," and James Thomas told about his son under the title, "Interest on $7000."

Guido Brandolini asked "Who Is Fighting This War?" and Ross Winchester explained "Finding Our Niche in the Service of Our Country."

That three times the amount contributed in the same area last year was raised by the Toastmasters' Community Chest group of John Brand, Chester Armstrong, James Thornton, Scovel Mayo, Rudolph Kalenborn, Fred Schmitz and Guido Brandolini was stressed by Norman Meyer, colonel of the group, reporting more than $400 was turned in, ranking the Toastmasters high in the community drive.

Filling the club's membership limit of twenty-five, Louis Horvath was inducted into the organization, becoming the ninth new member to be installed this semester.

A departure from the exclusive male makeup of meetings was an additional talk on the rubber problem by Fern Davis of Sequoia High School, one of a group under Ronald Anderson's direction, bringing home to the community the need of conserving rubber.

Augustus Explains Absentee Voting Law

County Clerk W. H. Augustus has announced that applications for absentee ballots for the Nov. 3 general election will be received by his office until Oct. 29. First applications were received today. Applications may be filed by any duly registered voter, regardless of whether or not he or she is in the armed forces, Augustus pointed out.

Any person not registered but who is a member of the armed services may apply for a war ballot, Augustus explained. This ballot will list only the congressional office candidates.

Army Takes Remo Bosia Into Custody

SAN CARLOS—Remo Bosia, 36, former editor of L'Italia in San Francisco and one of 46 "dangerous or potentially dangerous" citizens ordered to leave the West Coast, is in custody of military authorities today, the Tribune learned informally from official quarters. Bosia is accused of trying to outwit the Western Defense Command by enlisting in the army after he was served with his exclusion notice.

Mrs. Bosia, 738 Orange Ave., has declined to comment on the case. The Bosias had lived in San Carlos for five years and have a daughter, Sandra, 4½, in kindergarten. He is a native of Madera, Calif., and she was born in New York City. She has been staying with her mother-in-law, Mrs. Theresa Pallavicini, who lives next door.

"We're not discussing the case," she told a Tribune reporter.

Miss Sophie Glazko, teacher in the San Carlos schools who lives with Mrs. Pallavicini, said this afternoon that Bosia has been in the army air corps for about three weeks. She said she had never heard or seen anything in the Pallavicini home which indicated any subversive activity.

The Bosia home is for rent.

Nicholas Pallavicini, Bosia's father-in-law, was the owner of the L'Italia and Bosia was employed as a sports writer. When Mr. Pallavicini died about a year ago Bosia took over the publication and ran it until about a month ago, when he joined the army.

Mrs. Pagella Writes She Is Convalescing

NORTH PALO ALTO — Mrs. Maurice Pagella (Juanita Bruton), who was wounded last month when her revolver accidentally discharged, is sufficiently recovered to return to her home at Tunbridge Wells in southern England, she writes to her parents, Mr. and Mrs. Clyde A. Bruton of North Palo Alto. Mrs. Pagella is a volunteer driver for the Women's Motor Corps in the Middle East.

Man Wheels 400 Pounds a Mile

Calixte Raynal, 832 Warrington Ave., a retired 64-year-old laundryman, is this week's hero in Redwood City's salvage campaign.

Raynal, a small man who uses a bicycle as his means of transportation, telephoned Frank A. DePatta, salvage drive chairman, and asked that a truck be sent out to pick up some scrap at his home.

However, Warrington Ave. is outside the city limits, so DePatta could not comply with the request immediately. So Raynal piled his scrap, including a stove which he broke down into small pieces, and a tire rim, into an old iron wheelbarrow.

He wheeled this load—more than 400 pounds—more than a mile from his home, down Spring St., to the city salvage dump at Maple St. and Broadway.

And did he dump the load there and push the wheelbarrow back home? No, sir. He left the iron wheelbarrow and all.

DePatta today praised school students and faculties for their co-operation in the scrap metal drive.

"It was a pleasure to work with the schools," he said. "The co-operation was wonderful."

Scrap metal gathered by the schools last week will be picked up sometime between now and Friday, DePatta said. The drive officially ended in the grammar schools Saturday, but some metal is still being taken to some of the school piles. Sequoia High School has continued its drive to the first part of this week. Students there are trying to fill a 25-ton quota.

DePatta has charge of having the scrap removed from the schools. Scrap metal from each school will be weighed separately.

Although the scrap left at the schools has not been weighed, DePatta estimates that the schools have collected approximately 30 tons.

Legion To Hold Show Oct. 24

Tickets for the midnight show sponsored by American Legion Post 105, to be held at Sequoia Theater Oct. 24 will be placed on sale at several downtown stores, Harry Harrison, post commander, announced this week.

The midnight show will feature vaudeville acts as well as the preview of an unannounced motion picture. Proceeds will go into the fund for child welfare and for work among disabled veterans who need rehabilitation help.

Redwood City's performance will be but one of 300 such benefits to be held by American Legion posts throughout the state on that night.

All seat sales will be handled by Legionnaires, auxiliary members and juniors but not by theaters.

Among those working on the affair here besides Harrison, are Ben Peterson, Emmett Donnelly, Andrew Blakeley, Thomas Vernall, Ray Cereghino; Mesdames Lucille Benson, Ellen Ott, Ethel Granger, Myrtle Cezar, Margaret Blakeley, and juniors, Dorothy Karns, Shirley Lorber, Shirley Allured, Irene Winick, Roy Bertlocci, Doris Aitkins, Francis Wilson, Beverly Granger, Patricia and Barbara Kernan.

Pescadero Man Signs For Draft, Released

PESCADERO — Senor Andrew P. Garcia, 49, a laborer who got in trouble with the FBI when he couldn't produce a draft card, is back home today, all signed up for the draft. The FBI questioned Garcia about his assertion that he had signed up for selective service—back in 1912—and discovered that the whole selective service system was confusing to the defendant.

After taking Senor Garcia by the arm and presenting him to selective service officials, the FBI returned him to his Pescadero home.

Freight tonnage moved by the Canadian National Railways during 1941 was the largest in the utilities history, the Department of Commerce reports.

Sergeant Wade Joins Paly VFW

Sgt. George W. Wade Jr., son of Mr. and Mrs. George W. Wade Sr., 1536 Jefferson Ave., Redwood City, was voted into the A. H. Nichols Post 69, Veterans of Foreign Wars, Palo Alto, last week. The senior Mr. Wade is an old time member of the post and is a past commander. Wade is the first father in the organization to share membership with his son.

Sergeant Wade (technician grade 4), who attended Sequoia High School prior to his enlistment in the army in December, 1940, is now engaged in the construction of the Alaskan-Canadian Highway.

CHILD RETURNED

A 15-year-old Redwood City girl who has been missing from her home since July 24, has been returned to the juvenile detention home here. She was apprehended at Grants Pass, Ore. In jail is William F. Wallace, 19, former Redwood City resident, charged with child stealing. He faces federal prosecution under the Mann Act for taking the girl over a state line.

The first heavyweight championship in the United States was won by John L. Sullivan in 1890.

Neighbors Control Fire

BELMONT — Quick work on the part of residents in the 1800 block of Bayview Ave Tuesday was credited by Fire Chief Roussel Smith with preventing what might have been a serious fire. Starting when a child dropped matches he was playing with into brush in a lot next to the home of P. O. Lind, the fire covered 200 square feet before brought under control by neighbors with garden hoses.

When the fire department arrived all danger had been eliminated.

Mrs. Mirra Magnani Wins Reno Divorce

Mrs. Mirra Magnani has been granted a divorce in Reno from S. J. C. Magnani, Redwood City merchant for 15 years. A property settlement was adjusted out of court.

The Magnanis, who lived at 122 King St., were married in Redwood City in 1924. The former Mrs. Magnani was granted permission to use her maiden name of Mirra Drivon.

New Group On Oct. 22

Thirty men from Redwood City-San Carlos-Belmont Selective Service Board 106, Tuesday were sent to San Francisco for final military physical examination and those accepted may request 14-day furloughs. Next group of selectees will leave here Oct. 22, according to George F. Paul, chief clerk.

Those taking their final physical examinations for the army today are:

Jack M. Ridgeway, Donald G. Stephens, Charles W. Buckley, Daniel J. Gagliani, Chester E. D. Vignola, William H. Crawford, John Lopez, George Cardoza, Richard F. Maehl, Loren O. Carlson.

Vincent E. Fillipponi, Ribeli W. Garavaglia, Kenneth G. Smith, William A. DuTemple, Jack E. Burton, Sanford B. Dole Jr., Frank D. Sericano, Milton R. DeLucchi, William Gerber.

Delmer L. Filley, Fred E. Brumblay, Eugene Badger, George H. Harris, Raymond Nilsen, Robert D. Wolfenbarger, Alfred J. Newman, Arthur Thimler, John T. Angeloplos, Arcadio S. Halog, and Ray Benedict.

M.P. Man Arrested On Driving Charge

PALO ALTO—Vinson E. Ogilvie, 639 Menlo Ave., Menlo Park, was charged with driving while under the influence of liquor, following the collision between his car and that of Robert V. Bauman, 450 Redwood Ave., Redwood City, at the intersection of California Ave. and El Camino Real in Palo Alto.

Bauman told police that Ogilvie's car ran into the rear of his while he was waiting for the "go" signal.

Minor damage was done to the car of Scott Tilden, 20, 200 Occidental Ave., Burlingame while it was parked in the 300 block of California Ave., Saturday night. A hit-run automobile was responsible.

NEW APPOINTMENT

Maurice J. Donovan of Redwood City has been appointed assistant map and transfer deputy in the county assessor's office by Martin J. Flynn, county assessor.

Man Bites Cop; Lodged in Jail

Although Frank W. Lometti, 48, of Sharp Park, is an employe of the Walkup Drayage Co. in San Francisco, operated by a San Francisco police commissioner, he was locked up firmly in the county klink today with little hope of release until he posts $250 bail.

It seems that Lometti bit a cop.

According to Capt. E. F. Cassell of the California Highway Patrol, it happened this way:

Patrolmen R. A. MacInnis and Harold Varni were patroling a dimout zone on the Ocean Shore Hwy. shortly before midnight when a car with lights on full passed them at high speed. The driver refused to stop for the siren but was overtaken at his Sharp Park driveway.

Lometti, the driver, became antagonistic when he was placed under arrest, MacInnis told the captain, and the two officers put the cuffs on him. When Lometti's hands were placed behind his back and his head was inclined forward, he bit MacInnis on the left thigh, ruining a new $18 pair of patrol pants and taking a chunk of the MacInnis hide.

The MacInnis hide was patched at South San Francisco Hospital but the pants were declared beyond repair. At the hospital Lometti was ruled under the influence of alcohol. The charges: drunk driving, resisting arrest, driving with undimmed lights. He was arraigned by Judge Wade H. Clay at Daly City this morning.

FRESH-UP WITH ...

ONE-HOUR REDECORATING NOW POSSIBLE

• *A couple of hours ago this room had dingy, faded wallpapered walls. A new, hour-dry plastic finish made the transformation possible, makers say.*

One Coat of New Finish Transforms Room in Single Afternoon

That a single coat can transform completely an old-fashioned room in less than a day is the claim made for a new plastic wall finish by *. The local dealer now has received shipment of the new wall finish, which employs new scientific principles discovered by the plastic industry.

In numerous tests, painters have walked into an old room, removed the furnishings, refinished walls and woodwork, replaced furnishings and moved on—all inside of a single afternoon, leaving a bright new room with soft colored walls in the most modern taste. Such soft, solid color walls are said to be preferred by leading decorators today.

The speed with which redecorating can be done with this new plastic finish, called Kem-Tone, is said to be partly due to the fact that it dries in an hour and partly because it may be applied without any preliminary preparation or priming. It can be used directly over old wallpaper or old or new plaster, wall board, brick or oil or casein painted surfaces.

Best of all, the new finish is said to leave no pungent turpentine or other objectionable paint odors, which means that a room can be lived in as soon as the furnishings are replaced. In the illustrations above, no new furnishings were employed and the entire difference is due to the smooth wall covers and the refinishing of dingy woodwork and fireplace. All but the boldest wallpaper patterns can be covered with a single coat of Kem-Tone providing the wallpaper is not loose or badly torn.

Features of the new finish are that it is completely washable, is thinned with water, shows no lap marks and dries to a non-reflecting flat finish. It comes in a wide range of smart new "decorator pastels" and deep tones which harmonize with the newest rugs and fabrics, as well as older furnishings.

Firemen Extinguish Mills Estate Blaze

San Mateo County firemen at 8 p.m. Monday extinguished a three-acre grass and tree fire on the Mills Estate above San Bruno after the U.S. Coast Guard complained to authorities that the fire was creating a sky glow contrary to dimout regulations. According to Fire Warden Bert H. Werder, the tenant of the property burned off a plant stock field yesterday afternoon without a permit and failed to extinguish it at nightfall. It spread to a grove of eucalyptus.

Werder said the tenant, known only as Garibaldi, would be prosecuted.

Firemen Extinguish Blaze in Parked Auto

Redwood City Fire Department extinguished a fire in an automobile registered to T. C. Rockwell, 1606 Hopkins Ave., at 12:29 p.m. Wednesday. Damage was confined to a small hole in the upholstery. Cause of the blaze was undetermined. The car was parked on Broadway near Main St.

In the 7th century, Alexandria was credited with some four thousand palaces, as many public baths, three times as many shops and 400 theaters and places of amusement.

Traffic Safety Group Wins Recognition

The San Mateo County Traffic Safety Commission has received a certificate of participation, issued in recognition of the commission's activities along safety lines calculated to aid the war effort.

The certificate was presented by the Traffic Safety Commission of the American Legion in co-operation with the State of California Department of Vehicles.

W. A. Huggins, co-ordinator of Traffic Safety Education for the State Department of Motor Vehicles and American Legion commission chairman, extended to the members of the county safety commission his thanks for their assistance in the promotion of the Safety-for-Victory program.

Henry A. Witte Wins Honorary Post

Henry A. Witte, veteran Redwood City realtor, has been rewarded with the highest honor within the gift of the California Real Estate Assn. when it named him honorary president, it was disclosed here. Witte has served the association for 15 years as a director and for three years as vice president. His new honor comes as a reward for distinguished service, friends said.

The honor was conferred at the Los Angeles convention of the association last week, and the disclosure was made here today at a meeting of the Redwood City-San Carlos section of the association. Among those who attended the convention with Witte were Mr. and Mrs. Harry Hoefler of Redwood City, Carl W. Yearing of San Carlos and T. J. Hallinan of Hillsborough.

Young S.S.F. Woman Drops Rape Complaint

Miss Laura Carlin, 19, South San Francisco, Tuesday appeared in superior court at Redwood City to request Judge A. R. Cotton to dismiss a rape complaint she had filed against Richard H. Whitestine of Berkeley, a shipyard worker.

Miss Carlin pleaded that her health would not permit her to appear as a witness in the case.

The complaint alleged that Whitestine attacked Miss Carlin on Skyline Blvd. near Burlingame June 5. He was held to answer to superior court and released on $1000 bail. The court dismissed the complaint.

District Attorney Investigates Crash

The district attorney's office today was investigating a three-vehicle Bayshore Hwy. crash which sent one driver to Mills Memorial Hospital with minor injuries. He was Sidney Washaver, 54, San Francisco.

The injured man told California Highway Patrolmen he was proceeding north on Bayshore Hwy. at 19th Ave., San Mateo, when a heavy tractor-trailer southbound truck veered across the right of way, struck his car, and shoved it back 21 feet into another northbound vehicle.

Driver of the truck was Marion G. Smith, 31, of Lindsay, who was cited to appear in San Mateo justice court on a collision notice. Police said he may have fallen asleep at the wheel. Driver of the third vehicle was Albert R. Ditman, 61, 4073 El Camino Real, East Palo Alto.

VOTE 'YES'

ON PROPOSITION NO. 1

DO NOT BE CONFUSED

The measure which appears as STATE PROPOSITION NO. 1 on the November 3 ballot was adopted as a WARTIME REGULATION by a two-thirds majority of the California State Legislature at its 1941 session.

The vote was 33 to 5 in the Senate and 54 to 26 in the Assembly.

The State AFL has prevented the law from going into effect by circulating referendum petitions and thereby placing the measure on the November 3 ballot for the people's vote.

There may be some confusion in the minds of the voters as to how they should vote to uphold the State Legislature and to put into operation this much-needed law. You can not go wrong if you simply remember this:

If you believe that the pernicious practice of "Hot Cargo" and the Secondary Boycott should be suspended for the duration of the war, vote "YES."

Most of the disputes where the Secondary Boycott was used were jurisdictional disputes—labor unions fighting amongst themselves—disrupting industry and the war effort.

Community Chest-USO Campaign Nets $3247.75 to Date

Redwood City's Community Chest-United Service Organizations fund shot up to $3247.75 today, with colonels turning in pledges amounting to $615 yesterday.

Despite yesterday's encouraging report, Mrs. Evelyn Carlson, campaign secretary, states that only 10 colonels have made any kind of report so far. Nineteen colonels have failed to make any report whatsoever.

"If the colonels will turn in partial reports by tomorrow evening, new envelopes will be supplied for the rest of their calls," Mrs. Carlson said, in urging that they notify her as to how they are progressing.

The residential district leads in contributions with a total of $1388. Advance gifts add up to $955, Mrs. Carlson reports. Elementary school teachers have pledged $402.75.

In the business district, where a contest is being staged between the Exchange Club and Kiwanis Club for the highest subscription total, $395.50 has been turned in by these two organizations. The Kiwanis are out in front with $226.50 in contributions, while the Exchangites have collected $169.

Professional men have pledged $68.50 and courthouse employes $37.50.

The fact the residential district has subscribed over last year shows the citizens of Redwood City have taken the Community Chest-USO campaign to their hearts and are going over the top, Mrs. Carlson said.

"Our local agencies will be able to continue their good work," Mrs. Carlson stated, "and best of all, our boys in the service are going to know the home folks are back of them and doing all in their power to aid the USO in its splendid work.

"The Chest slogan, 'In Time of War Give More', really means something to the people of Redwood City," she added.

Organizations benefitted by the drive besides the USO, are Boy Scouts, Girl Scouts, Salvation Army, San Mateo Preventorium, Pre-School Clinic and YMCA. The campaign for funds will continue through Sunday.

By halting the use of steel drums to pack some 200 products, the United States will save enough steel to build two 35,000-ton battleships and at least 10 hard-hitting destroyers.

Three Win Emblems

Three more silver emblems were awarded to third-time blood donors when the mobile unit of the San Francisco Blood Procurement Center visited Redwood City Friday, according to Mrs. Richard Schmidt, chairman for the local Red Cross. Those receiving them were E. P. Fletcher, Norman Hedge, and Elinor Shaw, the last named, captain of the women's motor corps.

One hundred local citizens gave blood this visit, among them, several second-time donors including five women from the motor corps. Other donors included eight from the Plant Rubber and Asbestos Works.

Two hundred pints of blood will be needed for the next call of the mobile unit, Mrs. Schmidt says. Friday and Saturday, Nov. 13 and 14, have been set aside for Redwood City and nearby territory, and many more registrations are needed to fill the quota for those dates.

"Our quota has been greatly increased," she declared. "American men are fighting in all parts of the world, and the call for more blood plasma to save the lives of fighting American men is constantly greater."

Clubs and industries are urged by Mrs. Schmidt to promote registrations among their membership. Applicants may call the Red Cross headquarters, Broadway and Jefferson.

Week End Travel Swamps Buses

Fifty per cent more people are riding by bus today than ever before, according to F. W. Ackerman, vice president of Pacific Greyhound Lines. While a majority of the new bus passengers are men in uniform and war workers, Mr. Ackerman pointed out, present driving restrictions on private cars have also created thousands of new bus riders, and the rationing of gasoline will soon make even more people dependent on public transportation.

Service men use the buses in much greater numbers on Fridays, Saturdays, Sundays and holidays. There is no slacking in transportation to the war plants, most of which never close, and weekends and holidays are also the favorite travel days for the general public. As a result buses are completely swamped on these days.

The Office of Defense Transportation is now requesting that the general public voluntarily reduce their weekend and holiday use of public carriers, that only trips that are absolutely necessary be made, and that such traveling be done on Tuesdays, Wednesdays or Thursdays.

Mr. Ackerman summed up the problems and policy of Greyhound on wartime transportation in the following words:

"Never has public transportation faced such problems as it does today. Greyhound alone has carried over 75 million passengers since Pearl Harbor, and handling this enormous volume of traffic has taxed every facility to the limit. It is difficult to get new buses, and we are losing hundreds of our trained personnel to the armed forces. Unnecessary service is being eliminated, and every effort is concentrated today on providing just one service—essential transportation for those who must travel to help win the war."

Letters of Administration Issued to Robert S. Howard

Special letters of administration in the $3,000,000 estate of Mrs. Fannie May Howard Herrscher, wife of a San Francisco attorney and divorced wife of Charles S. Howard, millionaire automobile distributor and sportsman, were issued to Robert S. Howard, one of her three sons. The order was signed by Judge Maxwell McNutt in superior court at Redwood City after a brief hearing.

Bulk of the estate will go to Robert S. Howard and his brother, Capt. Lindsay C. Howard, U. S. Army. The third son, Charles S. Howard Jr., also an army captain, was cut off with a $100 bequest.

To her husband, Edmond E. Herrscher, wealthy chairman of the board of directors of the Andrew S. Williams Stores Inc., Mrs. Herrscher left the San Francisco home at 1021 California St., canceling all debts to her, if any.

Mrs. Herrscher disposed of her estate in an holographic will dated July 8, 1941, at 1885 Floribunda Ave., Burlingame.

She left $25,000 in cash to her grandson, Robert S. Howard Jr.; $10,000 to Mrs. Robert Howard, the former Andrea Leeds, motion picture actress; a like amount to Mrs. Judith Howard, known as Judith Barrett in motion pictures; to a friend, Mrs. Mary Kenefils, $2000; to a servant, Miss Agnes Danielson, $4000 in cash and a pet dog, Chu Chu.

To her granddaughter, Miss Judy Howard, she left two diamond rings, an emerald necklace and other jewelry. Mary Lynette Howard, another granddaughter, also was bequeathed jewelry, and a long chinchilla cape.

She left the remainder of the estate, including real estate, stocks, bonds, automobiles and personal property to Robert and Lindsay Howard, and named them to serve as executors without bond.

In his petition for special letters, Robert S. Howard, now probably one of the wealthiest coxswains in the U. S. Navy, told the court the value of the estate would be about $3,000,00, including real and personal property in San Francisco and in San Mateo County. He was appointed special administrator under $100,000 bond.

Mrs. Herrscher died in San Francisco Oct. 9. Until a month ago she had lived in Hillsborough, and had been a Peninsula resident for about 30 years. She had been ill since January.

M. P. ROOF FIRE

Robbery Suspect Held For Superior Court

SAN MATEO — Joseph Lakin, 21-year-old amateur radio singer of San Francisco, charged with the armed robbery of a San Mateo Safeway Store Oct. 3, was held to answer to the superior court at Redwood City, following a preliminary hearing this morning in Judge A. H. Stetson's municipal court in San Mateo.

Jury To Discuss McNutt Opposition

Opposition of Judge Maxwell McNutt to the grand jury proposal to retain an expert criminologist to help solve major crimes in San Mateo County will be discussed by the jury at its next meeting Oct. 26, according to James V. Howell, foreman.

The judge's opposition, voiced in a letter to the board of supervisors, upset the jury's plan to confer with both superior court judges before making a definite recommendation.

Hay Blocks Highway; Truck Driver Booked

O. F. Webb, 29, Merced truck driver was jailed on drunk driving charges this week after motorists flooded the highway patrol office at Redwood City with calls. About 150 bales of hay from Webb's truck blocked Bayshore Hwy. in East Palo Alto, officers discovered. After placing flares around the hay to warn traffic, the officers overtook Webb whose tractor truck and trailer was weaving erratically, they said.

Booked at the county jail over the week end on charges of drunk driving were Mrs. Marjorie Kahn, 37, 710 Whipple Rr., Redwood City, arrested by Redwood City police at 3:15 a. m. yesterday; Donald Grant, 39, Emerald Lake, arrested by city police at 3:45 p. m. yesterday; Toy V. Kenter, 27, Brisbane, and Michael F. O'Shea, 38, San Francisco, arrested Saturday by the California Highway Patrol.

TOO MANY PEOPLE ARE STILL TRAVELING ON WEEK ENDS—SAYS ODT
WASHINGTON, (AP) — Too many people still are traveling on week-ends by bus and train.
Sounding this complaint today, the office of Defense Transportation said that a further shift to mid-week travel of at least 8 per cent was necessary to eliminate the peak week-end travel load.
The report showed heaviest ticket sales on Saturday, when an average of 21 per cent of the week's entire sales take place. Sunday is next with 16 per cent.
aircraft fire. Ten were reported missing.

THE OFFICE OF DEFENSE TRANSPORTATION states that week end travel must be reduced. Only so much transportation is available, and *war service must come first.* Transportation facilities are being stretched to the limit. New buses are difficult to obtain. Unnecessary bus service is being eliminated to meet the ever growing demands of the armed forces, war workers, and others who must travel to help win the war. Hundreds of our men, who used to serve you, are now in the military service (and we're proud of them) creating a serious shortage of trained personnel.

The time has come when every American must realize that *pleasure travel is a peacetime luxury.*

Greyhound is committed to the vital job of providing one service only—*essential transportation.*

If You MUST Travel, Follow These Suggestions:

- ★ *Ride on Tuesdays, Wednesdays, Thursdays—leave week ends for men in uniform and war workers*
- ★ *Get tickets and information well in advance.*
- ★ *Take as little baggage as possible.*

Graham Crackers For Pies

PIE-LORE IMPROVED WITH HONEY MAIDS

Need a new flair for pies? . . . simple! Just use crunchy Honey Maid Graham Crackers. So easy . . . so different . . . so healthful!

Honey Maid Graham Crackers, whether plain or fixed up into taste-tantalizing "goodies," have long been the favorite "snack-time" graham for youngsters and oldsters.

Best of all, they have come to the rescue of many a main course dessert with their honey-flavored zest. Just try these delicious pies made with graham crackers, and you'll never be without them again.

CINNAMON CRUNCH PIE

½ cup pure molasses
2 eggs, beaten
¼ cup sugar
¼ teaspoon salt
½ teaspoon cinnamon
¼ teaspoon nutmeg
¼ teaspoon vanilla
¾ cup Honey Maid graham cracker crumbs
2½ cups milk
Pastry for one pie shell

Add molasses to beaten eggs, then add sugar which has been mixed with salt, spices and vanilla. Stir in cracker crumbs, add milk, blending well. Pour into 9-inch unbaked pie shell and bake in a moderately hot oven (400 degrees F.) about 30 minutes or until filling is firm. Cover with meringue, dusted with Honey Maid graham cracker crumbs.

RED RASPBERRY PIE

Crust

14 Honey Maid graham crackers, rolled fine
½ cup softened butter
2 tablespoons sugar

Mix thoroughly cracker crumbs, butter and sugar. Press mixture firmly in an even layer against sides and bottom of a well-buttered 9-inch pie plate. Bake in hot oven (400 degrees F.) 10 minutes. Cool.

Filling

1 package raspberry gelatin
2 cups hot water
2 egg whites
1 cup fresh raspberries, slightly crushed
Whole raspberries for garnishing

Dissolve gelatin in hot water. Chill until slightly thickened. Place bowl of gelatin over chopped ice and beat with rotary egg beater until fluffy. Fold in stiffly beaten egg whites and raspberries. Turn into cracker lined pie shell. Chill until firm enough to cut. Garnish with tufts of whipped cream and rosettes of raspberries. Serves 8.

PEANUT BUTTER PIE

Crust

Blend together well:
1½ cups Honey Maid graham cracker crumbs
½ cup softened butter
1½ tablespoons sugar
1 teaspoon flour

Put all but ¼ cup in a buttered 8-inch pie pan and press firmly in even layer to bottom and sides.

Filling

1½ cups milk, scalded
½ cup sugar
½ cup flour
¼ teaspoon salt
2 egg yolks, well beaten
½ cup peanut butter
1 cup cold milk

Combine thoroughly sugar, flour and salt. Add small amount of scalded milk; stir until smooth. Add to remaining milk in double boiler and cook 15 minutes, stirring occasionally. Pour small amount over egg yolks, blend, return to double boiler and cook 2 to 3 minutes longer. Cool. Add vanilla. Place peanut butter in bowl, add one-half of the cold milk, whip with rotary egg beater until smooth; add remaining cold milk, whip until smooth. Blend with cooled custard. Chill. Pour into pie shell.

MERINGUE

2 egg whites
¼ cup sugar

Beat egg whites until foamy. Add sugar, 2 tablespoons at a time, beating after each addition until sugar is thoroughly blended. Continue beating until mixture will stand in peaks. Pile lightly on filling. Sprinkle with remaining crumbs. Bake in moderate oven (350 degrees F.) 15 minutes. Cool and serve.

Cook for a crowd with the greatest of ease

For economy in entertaining, saving in transportation and genuine victory friendliness, neighborhood block parties or family get-togethers are really atune with the times. Pots of steaming coffee, bowls of crisp salad, and something solid for a main dish appeal to the whole gang.

ORGANIZATION—It's another thing, of course, if large quantity cookery is new to you; but don't despair. Get some organization into the affair, let everyone know what she is to do. A good idea is to divide the responsibilities into cooking, serving, and clean-up duties and schedule everyone's work.

EQUIPMENT—If it's going to take large kettles which none of you have, borrow some. Preserving kettles are ideal for cooking large quantities of food, and cookie sheets make fine covers. Wide shallow pans are usually better than deep ones, because foods cook more quickly in shallow containers and aren't crushed by their own weight.

SERVICE—Buffet service is probably easiest for serving the crowd, particularly if the party is in the small quarters of someone's home. The Homemakers' Bureau has planned this supper menu which is well adapted for buffet style or tray service, although it could be served otherwise.

**Tamale Pie*
Mixed Vegetable Salad
Toasted Buttered French Bread
Gingerbread
with Whipped Cream
Coffee

***TAMALE PIE**

½ lb. onions	½ large green pepper or 1 small pepper
½ cup shortening	¾ qt. corn meal
2 No. 2 cans cream-style corn	6 eggs
2 No. 2½ cans tomatoes	2 lbs. ground beef
1 tbsp. salt	1½ cups tomato puree

Brown finely chopped onions in hot shortening in large shallow kettle. Add corn, tomatoes, salt, and finely chopped pepper. Bring to boiling point; add corn meal slowly, stirring until well combined; cool. Add slightly beaten eggs, meat, and tomato puree; mix well. Pour into 2 well greased drip pans (9x12½x2). Bake in moderate oven (350° F.) 1 hour, or until done. To serve, cut in squares. Serves 25, approximately ¾ cup per serving; 14 servings per pan.

GM Receives Many Suggestions

DETROIT — Workers in General Motors war plants have been turning in "produce more for Victory" suggestions at the rate of more than 200 a day since last April, when GM launched its Suggestion Plan to Increase War Production.

Every day, on the average, 32 "war winners" are accepted by General Motors production experts, and more than $1000 in War Bonds and Stamps is awarded to GM men and women on the production front.

These figures were revealed today in a report by B. D. Kunkle, vice president of General Motors in charge of manufacturing. Covering the period from Apr. 1 to Aug. 31, the report disclosed that a total of 31,777 suggestions had been received from workers in 31 divisions of the company. This is at the rate of 15.4 suggestions per 100 hourly rated employes for whom the plan was instituted.

As of Aug. 31, a total of 25,278 suggestions to improve working conditions and speed war production had been carefully reviewed. Those accepted totaled 3938 or 16 per cent. That there has been a constant improvement in the quality of the suggestions is indicated by the fact that the percentage of usable suggestions submitted increased from 13 per cent in May to 19 per cent in August.

During the period covered by the report, War Bonds and Stamps with a total face value in excess of $150,000 were awarded to 3487 winners.

"General Motors workers can be proud of this record," Mr. Kunkle said. "The number of suggestions turned in — more than 31,000 in the space of five months— indicates the real interest of workers in the program and demonstrates the vitality of such a plan."

The divorce rate in the United States in 1940 was 2.0 per 1000 of population, exactly twice the rate in 1912.

Three Die Accidentally

BURLINGAME — Inquest into the deaths of three persons were held Tuesday at the office of Coroner William F. Crosby in Burlingame, instead of the four announced last week when it was learned that the army had taken over the entire case involving the death of Pvt. Stanley Grishka, a soldier who was killed in an auto collision in South San Francisco on Sept. 23. The inquest was cancelled.

Maurice Feliz, pedestrian fatally injured when struck by a car in San Mateo, on Sept. 22, was declared to have met death accidentally, and the driver of the car was exonerated.

Manuel Garcia, Menlo Park, who was electrocuted from the charge from a powerful wire near the Bayshore Hwy. in San Mateo on Sept. 28, was declared to have met death accidentally.

Capt. James W. Green, San Mateo special police officer killed when his car was struck by a train at Villa Terrace and the Southern Pacific Co. tracks, San Mateo, on Oct. 1, met death accidentally, the coroner said.

Because the French used to throw their wooden shoes, "sabots," into machinery, the word "sabotage" came into being.

VETERANS URGE ACTIVE WAR LEADERSHIP

Former Servicemen Supporting World War Buddy in His Race For Governorship

Earl Warren Served With the 91st Division. His Defense Record Is Praised

Veterans of World War I — thousands of them — under the statewide leadership of Frank N. Belgrano, Jr., former national commander of the American Legion, today are campaigning for their 91st Division buddy, Attorney General Earl Warren, in his fight to win the Governorship of California.

In their campaign for new leadership in State administration, they point to Warren's activities in connection with Civilian Defense, and they openly charge Governor Culbert L. Olson with a record of appalling neglect of war preparedness and bungling of the State's defense program in "his game of playing 'politics as usual' for personal gain."

Veterans are still incensed at Olson's unwarranted attempt to belittle their efforts against subversives and un-Americanism. They do not forget his veto of bills requiring school children to pledge allegiance to the flag; his veto of a bill permitting high school boards to purchase cadet uniforms; or that, in the State Senate he cast the only vote, on May 25, 1937, against a California National Guard appropriation. His record of defense neglect is long.

Warren, on the other hand, as early as January, 1941—long before Pearl Harbor—analyzed the war situation, mustered peace officers of the State, and sponsored practical defense measures. He is a forceful and courageous leader, veterans declare.

Families of men now in the service are numbered among Warren's staunchest supporters, because he also assures intelligent after-the-war leadership.

Anderson Approves Plan To Prevent Egg Shortage

A proposal of J. H. Stubbe of East Palo Alto, secretary of the California Baby Chick Association, for immediate "freezing" of flocks and dairy herds to prevent reckless sales and the resultant shortage of eggs and milk has the approval of Congressman John Z. Anderson and is now before the secretary of agriculture, Stubbe said this week.

A letter from the congressman said he hoped for "immediate and favorable consideration." The Office of Price Administration and Secretary Wickard, he said, have sufficient executive authority without legislative action.

Stubbe pointed out to Congressman Anderson that many farmers are either actually disposing of good breeding stock or making arrangements to get rid of it and go into defense work and that the selling out of poultry flocks will cut into the supply of dependable hatching eggs—and this in the face of Secretary Wickard's request for production of 200,000,000 more chickens this year. The egg supply, he adds, is already short.

His plan is that "before any stock could be sold as meat an order should be given by the county agricultural commissioner, who would work through the United States Department of Agriculture." If he did not consider the stock or flocks breeding material, he could let them go. If he did, the owner could arrange to have them taken by someone who would use them as such. "There is not a substitute for an egg to make a chick," Mr. Stubbe said.

Mr. Anderson first gave his approval to the plan Oct. 2 shortly after returning to Washington from California, where he noted with concern "the unrest that is developing among the farmers." "Dairy and poultry industries," he said, "will be most seriously affected if steps are not taken immediately to correct the present situation."

HEY THERE!

If you want us to win this scrap, you'd better give us the kind of help we need! More tanks, guns, planes and ships.

The best way you can do your part is to see that Uncle Sam gets all the scrap metal he needs. If you want production figures--it's enough to know that 50 per cent of all new steel is made of scrap--that our steel mills now have only enough scrap in sight to last another 30 days at the most.

EVERYTHING DEPENDS ON YOU!
